ANOTHER RESCUE FROM DEATH.—In 1881 while sewing on a machine, my wife was taken with a severe pain in her side, which was soon followed by hemorrhages from her lungs, severe cough, fever, and she could neither eat or sleep, and in a few weeks she was reduced to a living skeleton. Her stomach refused to retain any food, and the physician thought one of her lungs was entirely gone. At a final consultation of two physicians her case was pronounced hopeless. I tried Brewer's Lung Restorer by advice of one of the physicians, and she began to improve after the third dose. She continued the medicine, and is now in excellent health, and is better than she has been in several years. I believe Brewer's Lung Restorer saved her life.

PROVE THE CHEAPEST IN THE END

THIS rule always works, and especially in the purchase of Machinery and Labor Saving Implements. We take pleasure in calling your attention to the Celebra-

Champion Binders, Reapers and Mowers,

For which we are Agents for the Counties of Anderson and Abbeville, South Carolina, and we are prepared to offer to the Public either of the above Machines at reasonable prices and on easy terms. The present outlook is very favorable for a large group of small grain in these Counties, and large amounts of money would be saved each year to the Planters by the use of Harvesting Machinery, to say nothing of the great advantage to be gained in saving the Grain Crop in as short a time as possible, thus avoiding damage and loss by wind, rain, &c. Look at our Champion Machines before buying, and we feel convinced we will sell you,

The following named gentlemen of this County have bought the Champion Machines, and have had them in use from ONE to EIGHT YEARS. To them we refer

E. B. Rice, Belton,
J. O. Keys, Anderson,
J. N. Byrum, Anderson,
W. T. Dean,
E. A. Bell,
W. Q. Hammond
